

# Walks around the school grounds and offsite policy

Valuing Compassion, Community, Endurance, Friendship, Hope, Respect, Thankfulness, Wisdom

The Nursery recognises the importance and the benefits of physical exercise and the learning opportunities in outdoor experiences; therefore on occasions your child may be taken out of the Nursery and off the school site for a walk.

The Nursery will:

- ensure care is taken at all times to ensure safety throughout
- ensure the adult and child ratio will take account of the nature of the walk
- have access to two mobile phones/walkie talkies
  - ensure all children wear high-vis jackets
- take essential records and equipment, for example, contact details for children and staff, first aid kit, medication, protective gloves, spare clothing and plastic bags

To ensure safety, children will be walking independently; the Nursery will meet the individual needs of all children.

If you do not want your child to take part in the walks, please ensure that you DO NOT sign the agreement on your child's registration form.
