

St Helena's Church of England Primary School
PE and Sports Premium
2020/22 Achievements and 2022/23 Plan

What is the PE and Sport Premium?

The PE and Sport Premium is an additional layer of funding received by schools. It is ring-fenced so can only be spent on improving the quality and breadth of PE and School Sport. It has been doubled to support schools to implement the government's Obesity Strategy and to support the health and wellbeing of all young people in the school.

How much does our school receive?

There is now a total grant of £16,000 plus £10 per child on roll. We receive this each academic year. The grant comes from 3 government departments: Education, Health and Culture, Media and Sport

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<p>At St Helena's CE Primary School we received £17,139 for the last academic year to spend on Sports and Physical Activity. The success of the year was somewhat curtailed by the on-going pandemic, especially for children going out and about to inter-school festivals and competitions.</p> <p>During 2021/22 our overall aim was to broaden children's experiences and for them to enjoy success in sports. We used the sport premium to ensure all our staff were confident delivering every aspect of physical activity, improving children's skills and when able to, increasing out of school participation; this will continue throughout this academic year too.</p> <p>The funding allowed for the continued use of specialist PE teachers and support from JB Coaching. (www.jbsportcoaching.co.uk/services) They have a deep understanding of sports across the primary age, demonstrating differentiated and progressive sessions where children are physically active over 95% of the time in every session. We had been invited by them to pilot "Maths on the Move" with some Y2 children on the cusp of meeting age related expectations. This was an excellent programme using sport to engage vulnerable young mathematicians and one we decided to purchase again.</p> <p>We have also been fortunate to hire a Sports Apprentice this year who enriched the provision across the school day, was an active role model to all our young</p>	<ul style="list-style-type: none"> • Further develop the curriculum, with the support of JB Sports company to improve teaching, learning and the commitment to daily exercise and outdoor fun • Re-establish a calendar for inter-schools sporting fixtures and festivals for all • Re-establish swimming lessons for KS1 as these were unable to run during the last academic year because of the pandemic • Continue to target activities for the least active/less competitive children such as Boxercise, Activ8 Word and inter-school festivals

<p>people and delivered many sports during out-of-hours childcare hubs. We are very proud of the fact that he is to join the ranks of JB Sports Coaching programme following the successful completion of his apprenticeship diploma.</p>	
---	--

<p>Meeting national curriculum requirements for swimming and water safety.</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	<p>90%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	<p>90%</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>75%</p>
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>No</p>

Academic Years: 2020-23	Total fund allocated: 2020-21 £17 310 +£8000 C/F 2021-22 £22,461 2022/23 £17,180	Date Updated: This plan was for 2020-22 and although much was achieved, it was limited in its impact and so the 2022/23 funding will be used in the same way to increase our children’s engagement and love of sport and deepen their knowledge and commitment to a healthy lifestyle.		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 17%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Engagement of all pupils in regular physical activity every day To have more children, more active, more of the time. This will have an impact on pupils’ academic achievements, mental wellbeing, their self-esteem and overall fitness.	All teachers to ensure that 30 minutes minimum of physical activity is taking place when not PE days e.g. using 5 a day, morning run, physical Maths and English lessons, lunch time clubs and after school clubs Increase in varied playground equipment to encourage independent physical activity during break times and lunchtimes Services of JB Coaching, offering professional development in PE and Games, children’s coaching across a wide range of physical activities and after school club.	£3750	Increased participation in exercise by all children All children can talk about a sport they enjoy	Staff worked incredibly hard during 2020/21 to ensure children were active in school everyday and when at home had exercise challenges to enjoy. It was a priority despite the length of day being shortened as a Covid-secure measure. During 2021/22, the balance was maintained between all subjects and continued the commitment to physical health and well being with two hours plus of regular exercise and sports.

	Track children's participation in school sport and physical activities			
	Track the participation of inactive children from 2019/20 data			
	A member of staff to work closely with local SGO			
Key indicator 2: The profile of Physical Education, School Sport, Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				25%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Children will be able to explain the positive influence PESSPA has in their healthy lifestyles	All children will have their PESSPA endeavours celebrated from EYFS throughout the school.		School Games Mark Gold	By enrolling in the Skegness Sports Partnership and JB Sports coaching again, we should be able to access out of hours clubs for our children.
Children will feel a sense of pride in representing our school within the local community.	Participation in clubs and events will exceed an average of 1 per child once Covid 19 restrictions have been lifted.		86% of KS2 have taken part in either a sports club, festival or competition	We will ensure our Sports Apprentice runs at least two out of hours clubs for all children to enjoy football, cricket and rounders.
Their engagement in school life will be more positive as a result of their participation in sport/extra-curricular activities.	The school website will be used to communicate local Sport activities			The Sports Apprentice has links with local football teams and Grimsby Town so these opportunities must be shared with families.
Attendance at school will remain positive as a result.	Playground Visual Screen showing physical activity games and Healthy lifestyle clips for the children and families to enjoy in breaktimes and at home	£3542		
	Replace well-loved, well used apparatus across the school	£2000

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				10%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
More children will experience high quality PE, be inspired and will attend additional activities beyond those offered at school.	School staff to work with visiting JB Sports coaches in order to increase the quality and depth of their PE delivery Purchase of Complete PE for all staff across school to ensure breadth, continuity and progression	£1800 £420	All children will be active for 95% of the PE sessions All children will enjoy and be challenged by every lesson	Both JB Sports coaching company and the Complete PE programme will be available again during this academic year for staff to broaden their teaching knowledge. JB sports are to deliver gymnastics and dance sessions for staff to learn from and broaden their skills base. These were the areas identified in a CPD skills audit of the current staff team.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				47%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: What do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
KS1 children will enjoy football KS2 children will enjoy gymnastics on the floor and apparatus with a specialist coach	Sports Apprentice in school 9:00-5:00 3 days/week will introduce Change4Life sports to all school children and share his skills.	£10500	KS1 children will have a greater understanding of the attacking skills needed in a team game KS2 children will have a wider repertoire of gymnastic moves on the floor and on the apparatus – inspired	

			by our Olympic gymnasts!	
--	--	--	--------------------------	--

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				14%
Intent	Implementation			
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Children to experience competitions and festivals with/against other local schools	<p>Silver Package Membership to the Skegness Sports Partnership Competition Package</p> <p>Transport costs for children to be able to attend out of school competitions and workshops</p> <p>Explore the greater potential of a Kyra East sports partnership this year as fewer opportunities are being arranged</p>	<p>£1000</p> <p>£1000</p>	All KS1/2 children will attend one inter-schools' festival/competition or celebration	<p>Membership to JB Sports inter-schools pack be purchased in addition to the Skegness Sp partnership.</p> <p>A Teacher in charge of PE and Sport will be appointed rather than the Head!</p>
