St. Helena's Weekly Newsletter

Dear Families,

I hope your properties survived Storm Eunice and Storm Franklin and they didn't spoil your half term plans. It sounds like many of you tried to do something interesting despite the inclement weather as the children have returned with stories, things to share and news of their own.

The biggest news of all is the change to the Government's recommendations for "Living with Covid". This is what they have said:

Changes to self-isolation and daily testing of close contacts

From Thursday 24 February, the Government will remove the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

In addition, the Government will:

- No longer ask fully vaccinated close contacts and those aged under 18 to test daily for 7 days and remove the legal requirement for close contacts who are not fully vaccinated to self-isolate.
- End self-isolation support payments, national funding for practical support and the medicine delivery service will no longer be available.
- End routine contact tracing. Contacts will no longer be required to self-isolate or advised to take daily tests. Staff, children and young people should attend their education settings as usual.

We know you will make every effort to balance the health and well-being of your family whilst also getting the children into class. Every school day counts in the life of a young learner - there is so much to know, practise and consolidate. Your help is invaluable; are you hearing your child read every day, practising their spellings and number facts and checking on what they have remembered from last term? Now is the time!

Love Mrs B x

PS Don't forget to help your child dress up for World Book Day on Thursday if they would like to.

Sunnyside Garden

Spring will soon be here. The evenings are getting lighter and bulbs are beginning to flower in the gardens and on the village green. Have you noticed the clumps of snowdrops flowering under the notice board on the village green. These are the bulbs that all the pupils planted last Easter. They have stayed under the grass all winter and have made new shoots and flowers this year. I hope the primroses begin to appear soon.

I have several bowls of hyacinths which are now beginning to flower. They brighten up the living room at this time of year. The white crocus have been outside the kitchen door all winter and are just coming into flower. On the herb garden a small clump of little daffodils are flowering and look so pretty and cheerful.

On their last wellie walk the reception children visited the garden and they put the onion sets in trays of compost. Some of the onions are already producing green shoots so will be developing roots into the compost. They planted broad beans in the garden and leek seeds in a flower pot. No sign of these germinating yet. We will look to see if these plants are growing next time you visit Sunnyside. Thank you reception children.

World Book Day - Thursday 3rd March
Come dressed up as your favourite book
character, or wear a decorated hat, or
badge.

Please can you check your child's uniform as
Dawson is missing his fleece, it is named.
Thank you.
