*It is our responsibility to learn and achieve our dreams as a family.*

*Opening minds, widening horizons and developing a better world.*

*Valuing Community, Compassion, Endurance, Friendship, Hope, Respect, Thankfulness, Wisdom*

Dear Families,

Here is my very last newsletter and I would just like you to remember that most of what we really need to know about how to live, we learn in Primary School.

Share everything, play fair, don't hit people! Put things back where you found them. Clean up after you. Don't take things that aren't yours. Say sorry if you hurt someone. Wash your hands before you eat. Warm biscuits and cold milk are good for you. Live a balanced life. Learn lots and think some, draw and paint and sing and dance and play and work every day!

Take a nap in the afternoon! Be aware of wonder. Remember the seed in the plastic cup; roots go down and the plant goes up and nobody really knows why or how, it's a miracle and when you go out into the world, hold hands and stick together!

Thank you for holding my hand over the last twenty years and helping St Helena's stick together. I couldn't be prouder of our little school and the children we have helped to nurture. Keep up the good work everyone and see you about!

Love Mrs B xx

# Letter from the Chair Of Governors

Dear Parents

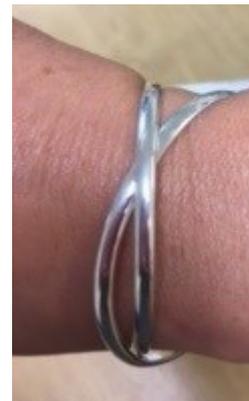

What an exciting final week of term the children are enjoying in school. I was privileged to watch the Y6 musical of 'I am an eleven year old, get me out of here' last night. Every pupil took such an active part in the performance, with some excellent jokes and some superb singing. Well done Year 6. I am looking forward to the Y4 version of 'the lion, the witch and the wardrobe' tonight.

At the lower end of the school, the reception class have a wish list of activities which they are undertaking this week. Visiting Sunnyside garden, baking, eating toasted marshmallows are some of their ideas. They have created some lovely flower arrangements today.

Mrs Belton was surprised this morning when the entire school assembled on the playground. She cut a beautiful and large cake, with an iced topping of a photograph of everyone in the school. She also received a gift of a silver bracelet, a keepsake to complement the golden ticket for her trip to Liverpool football club.

Thank you Mrs Belton for your inspiration, creativity, care and love you have given to all the children, staff and families of this school during the past 22 years. We all have lots of fond memories of your time here. Please come back and visit us in the future. In the meantime relax, enjoy the summer holiday and in September there will be no need to set the alarm clock. Enjoy your retirement.

Mrs Fulwood  
Chair of Governors

## Ears Pierced

If you are thinking of getting your child's ears pierced, please can you have them pierced in the first week of the summer holidays.

Children are unable to do sport with ear-rings in and PE and Sport is part of the statutory curriculum.

Thank you
