### Our School Vision

**Opening minds, widening horizons, developing a better world.**

We seek to reveal and develop the talents of everyone, so that we may flourish and become the valued and valuable person God intended us to be. We work towards every member of our school community being happy, confident, committed learners, reaching their full academic potential. We strive to open minds, widen horizons and develop a better world. We do this by providing a foundation of strong moral and social values, ensuring all can play an active, responsible role within the community.

"I have come that they may have life, and have it to the full."

John 10:10

This week, the whole school came together to mark 80 years since VE Day through a series of reflective and informative assemblies. Children learned about the significance of Victory in Europe Day, the end of World War II in Europe, and the importance of remembering those who served and sacrificed for peace. Across the school, children showed great respect and maturity as they reflected on the impact the war had on people's lives both then and now.

At 12 o'clock on Thursday, the entire school paused for a two-minute silence, joining others across the country in honouring this historic anniversary. It was a powerful moment of unity, with all children from Nursery to Year 6 showing great reverence and understanding.

Next week promises to be a buzz of activity here at St Helena's. Year 5 will be taking part in Bikeability, gaining essential road safety skills and confidence on two wheels. Meanwhile, Year 6 will be tackling their SATs, and we are incredibly proud of the hard work and positive attitudes they have shown in the lead-up to these assessments.

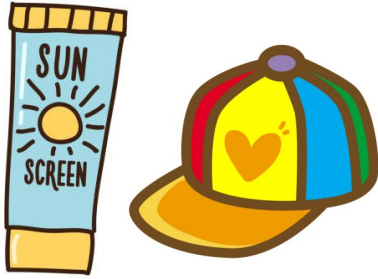

Finally, a huge thank you to all the families who have supported and spoken so positively about our fantastic Nursery provision. We still have three places remaining for September, so please do continue to spread the word with friends, neighbours, and anyone looking for a nurturing and vibrant start to school life for their child.

Thank you for your continued support!

### Sun Cream and Sun Hats Reminder

Now that the weather is finally improving, please ensure that children come to school with sun cream and a sun hat.

Children will need to apply their own sun cream, so please choose a product they can manage independently.

Thank you for helping us keep everyone safe in the sun!
